The screenshot shows a web browser window with a search engine results page. The search term 'Google' is entered in the search bar. The results show a list of links, including 'Google', 'Google Scholar', 'Google Books', and 'Google Maps'. The page is displayed in a standard web browser interface with a white background and black text.

Figure 1. The effect of the concentration of the *Agaricus bisporus* spores on the growth of *Agaricus bisporus* on the substrate.
